**Dear business partners,**

**the 22nd International Engineering Fair in Nitra is coming close.** The fact that one of the best marketing tools to stay in touch with the expert public is personal encounters still stands. A trade fair is a proven platform for such meetings. Therefore, we would like you to invite you to participate in the 22th International Engineering Fair, which will take place **on May 19 - 22, 2015 at the Agrokomplex Exhibition Center in Nitra.** Many of you are long customers and co-authors of the project that goes by the name International Engineering Fair.

In an effort to continue the mutually beneficial cooperation, we have prepared the following benefits in 2015:

- **favorable rentals of exhibition area**
- **loyalty discounts**
- **favorable prices of exhibition stands and equipment**
- **simplified ordering of exhibition stands and equipment**
- **free parking for your customers in the vicinity of the Registration Centre**
- **on-line electronic corporate invitations for your customers for a symbolic price**
- **electronic application system to the fair**
- **free publication of new items exhibited at the fair on the fair's website and partner sites**

Please find attached the application materials for 2015 and the Final Report for 2014. Should you have any questions, do not hesitate to contact us.

We look forward to meeting you at Agrokomplex!
